

# PERMANENT REPLICA

## OF THE NAO VICTORIA VESSEL IN SEVILLE

**The construction of a new replica of the Nao Victoria Vessel will be one of the most notable projects by the Foundation.**

This true-to-scale craft will be permanently located at a dock on the Guadalquivir river, next to the future Interpretation Centre, and will be a high-impact visual attraction for the city of Seville.

### OBJECTIVES

- To spread knowledge related to the achievement of the First Sailing Around the World and its effect on Universal History through one of its most iconic representatives: The Nao Victoria Vessel.
